

TRULY UNIQUE, MODERN VILLA WITH INNOVATIVE DESIGN & SEA VIEWS

La Herradura

Reference: R4-13

BEDS	BATHS	BUILT	PLOT	TERRACE
4	5	395 m²	455 m²	203 m²

This modern, four-bedroom villa features a striking curved design in its façade making it truly it one-of-a-kind. Additionally, it has an open-plan design with floor to ceiling windows, which open onto a sunny terrace with an infinity pool and lovely views of the sea, the mountains and the beautiful sunsets for which La Herradura is renown. The villa is located on within walking distance to the beach and restaurants of La Herradura. This villa is definitely the star of this exclusive development. Contact the developer Mar Delux now, so you don’t miss out! This is the only villa with this special design.
