This elegant, contemporary style villa is part of the exclusive urbanisation Valdemar in the sought after area of Punta de la Mona en La Herradura. It is located within walking distance to the beach and restaurants of La Herradura. It has been carefully designed to offer stunning views from throughout the villa to the sea, the mountains and the beautiful sunsets for which La Herradura is renown. This 4 bedroom villa will feature an open-plan design with floor to ceiling windows, which open onto a sunny terrace with an infinity pool so can enjoy the wonderful climate and 325 days of sunshine a year. It will have a 2 car garage in the basement and a lift to take you to the entry level of the villa which will contain the living area and pool terrace. In addition to exquisite finishes, the villa will be equipped with solar panels, home automation and more. If you purchase this villa now, you will have the opportunity to personalise it to make it just as you want it. Contact the developer Mar Delux now, so you don’t miss out!
